Dear Constable Bennis,

I apologise for the delay in sending you permission to dispose of Captain George Bentinck's bayonets as we discussed on the phone some weeks ago. Part of the delay was my sudden remembering that in fact my uncle had a daughter who had the immediate claim to these articles. I then phoned her much to her surprise since we have never been in close contact lately! It was very pleasant to talk after six years, but the main outcome was that she would be delighted for the Dornoch Heritage Museum to have them.

I enclose two excerpts from our family history which may be of interest.

Should the Museum not be interested in them please let me know and I will give them to my Regimental Museum - The Royal Highland Fusiliers - for whom I have been fundraising to completely refurbish it.

Thank you for your interest, but I am sure you will be glad to see the back of them.

With kind regards,

Yours sincerely

Bill Kerr
