1st, June 1987,

Dear Miss MacRae,

Presentation of Grant of Arms,  
Presentation of Chairman's Badge,  
Dornoch Cathedral,  
5th, July 1987,

Mr, and Mrs. Carey Randall have generously defrayed the cost of the Grant of Arms by The Lord Lyon to The Dornoch Area Community Council, and have also gifted a Ceremonial Banner and a Flag displaying the Arms.

Mr, and Mrs. Derek Holt of Skibo have also been most generous in gifting a Chairman's Badge of Office, bearing the Arms, to the Community Council.

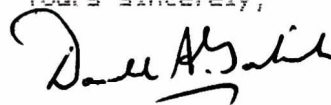

After the Morning Service in Dornoch Cathedral on Sunday 5th, July 1987, Dingwall Pursuivant will present The Grant of Arms and the Banner to the Community Council.

Immediately thereafter, Mrs. Derek Holt of Skibo will invest the Chairman (me) with The Chairman's Badge of Office.

These kind gifts will give dignity to, and recognition of the importance of the work of the Community Council and will be reminders of its position as Heritor of the long and historic role of the Royal Burgh of Dornoch as Guardian of the Civic Community.

As Matron of the Lawson and Cambusavie Hospitals and because of your association with, and service to the Community, I have the greatest pleasure, on behalf of the Community Council in inviting you and Mrs. MacRae to join the Official Party at the Ceremony. I do hope that you will be able to attend.

Yours sincerely,

Chairman,

R.S.V.P.
