SPECIAL GOLF BREAKS

The Burghfield House Hotel

Burghfield, a former home of Lord Rothermere, stands in 5½ acres of beautiful gardens over-looking Dornoch and its impressive 13th Century Cathedral. Run as an hotel by the Currie family since 1946 it has gradually been extended over the years and extensively refurbished in 1991.

In this genuine Country House Hotel, where you could not help but to feel at home, there is a unique and relaxed atmosphere, which can be felt from the moment you come in the front door. A pleasant mixture of old oil paintings and antique furniture blends with modern comfort and, everywhere the scent of flowers. Our friendly staff will do all they can to make your stay happy and comfortable.

The hotel is only a few minutes away from the famous Royal Dornoch Golf Course. Apart from golf there are several lochs for fishing (tackle can be provided) Tennis, Horse-Riding, miles of sandy beaches and it is an ideal centre for touring the North and West. Children are very welcome and specially catered for. Dogs are also welcome.

The spacious Dining Room

There is an extensive menu with an excellent wine list to complement it. We are renowned for presenting freshly cooked food using the very best of local prime beef, game, salmon and shell-fish together with produce from the garden. A la Carte bar meals are also provided.

The well stocked Cocktail Bar

The Cocktail Bar is not a bar that closes on the dot of 11 o'clock or 12 o'clock. A friendly place for trivial and serious conversation stocking a vast range of malt whisky. It opens at the beginning of April and closes at the end of October.

One of the modern Bedrooms in the Garden Wing

All 14 bedrooms in the main building and 23 in the Garden Wing have private facilities, Colour TV, Radio, Direct Dial Telephones, Hair Dryer, Baby Listening and Tea/Coffee making unit (except for 5 children's rooms in the Garden Wing).
