

# Step back into sporting history

ON Friday there will be a chance for all footballing fans to go along to Grannie's Heilan' Hame, from 2-3.30pm to view football-related photos from the archives of Historylinks Museum.

With over 40 photos to look at, dating from the beginning of the 20th century to the much more recent past, there should be many familiar faces to trigger off all those memories, reminiscences and stories from the past.

Museum curator Sue Higgins invites anyone interested to go along and see if names can be matched to all the folk in the photographs. Visitors are also encouraged to take their own football photographs and memorabilia to the event.

Pictured right is the Dornoch junior football team, winners of the Willie Sutherland Cup and the Bunillidh Cup in the season 1948/49.
