School Leaving Record

Class J. R. Session 1953-54.

A "School Leaving Record" is now being issued to all pupils when they finally leave School. As a good "Record" forms a valuable testimonial to the capabilities of any pupil, parents are urged to do everything possible to encourage pupils to take their work seriously at all stages. Merit other than scholastic is also noted on the "Record".

.....

The Rector will be glad to discuss with parents any matter relating to the contents of this Report if a prior appointment is made.
(Tel. 90)

To Pupils: Please keep this Report FLAT and CLEAN, and return promptly to the teacher who initialled it.
