

# Keep mausoleum revamp in the family

SIR, — I read with disbelief the article on Saturday, January 8, regarding Trentham Mausoleum.

It is the duty of the descendants of the Stafford/Sutherland families to put this resting place of their ancestors back into good repair.

I have recently paid good money to reinstate and make good my own family graves — with no help from the council. Will Mr Wolfe reimburse me — I think not. He would be better advised to spend this money on policing our unsafe streets.
