Dear Mrs Whittingham

DORNOCH COMMUNITY DATABASE

The Dornoch Focus Group is currently compiling a database of all voluntary groups and organisations in Dornoch.

The database is a collection of information about all the community facilities and groups operating in Dornoch. The Dornoch Focus Group will use this information for the following purposes:

- To enable the Focus Group and other similar organisations to distribute useful information to appropriate groups
- To provide the Focus Group with an overview of all the facilities and groups in the area
- To produce a 'Community Groups Booklet' which would be available to everyone in Dornoch and District
- To add community groups listings to the Dornoch Website (www.dornoch.org.uk)

The Focus Group will try to keep the information as up to date as possible by updating entries and creating new entries throughout the year. It would be extremely useful if members of groups could inform the Project Officer, Fiona Robertson of any changes made to group details or membership when they take place.

Enclosed is a record form, which I would be grateful if you could complete. You will note that the form includes a section for entry on the website (free of charge) and invites groups to list any forthcoming events that the Focus Group could perhaps help to promote through an Events Calendar. Forms should be returned to Fiona Robertson, you can hand them in at the Dornoch Tourist Information Centre (marked for my attention) or post to the address at the top of this page. Please telephone me on 01862 894278, if you require further information or to discuss any matter relating to The Dornoch Focus Group.

The Dornoch Focus Group is part of the Inner Moray Firth Towns Partnership (A European Union Northern Periphery Inter-regional Programme Funded Project)

Membership of the Group includes: Michael Banks (Chair), Joan Currie (Vice Chairman), George Munro (Secretary), Yvonne Ross (Treasurer), Councillor Duncan Allan, Gordon Todd, Sandra Peterkin, Sandy Morrison, Alison Munro, Andrew McPherson, MacArthur Bennie, Fergus Robertson, Alan Watt and Leslie Bell

Finally, I have enclosed a list of the community groups and facilities, which the Focus Group is aware of in Dornoch. I would be grateful if you are aware of any other groups that exist, if you could draw these to my attention (with a contact name and number if possible).

Many thanks for your assistance.

Yours sincerely
