Dear Sir,

The Beatrice Oil Field Trust - Sutherland.

On behalf of the New Dornoch Social Club, I write to ask about the possibility of financial assistance towards an essential but as yet unachieved part of the project.

As I expect you are aware, the old Dornoch Social Club has just undergone a considerable improvement with grants from the H.I.D.B. and H.R.C. and Scottish Education Department totalling £45,000 (forty five thousand pounds). To add to this figure the Dornoch Community raised a further £7,000 (seven thousand pounds) with numerous fund raising events over the last five years. With the effect of inflation and the uncertainty of continuing grant aid, the improvements had to be carried out within a very tight financial and time schedule.

Despite a lot of voluntary work with things like decorating and furnishings the main hall floor is virtually in its original state. While basically sound, the boards are very worn in places with the added problems of warping and unevenness. This unfortunately precludes the use of the hall for a number of facilities including indoor bowls and dancing (not the Disco type!).

Having only just opened the doors, the funds of the Association are expectedly depleted and we are only just starting to build up our finances again towards this next goal. Our Architect, Macdonald Associates, informs us that to level and resurface the floor in the main hall area will cost an estimated £3,000. (three thousand pounds) and it is to this end that we ask your consideration for financial assistance.

We could not expect to achieve this ourselves within three years but it would be a great boost if it could be completed before then, and it would allow fund raising to go towards various other smaller items that are urgently needed.

Should you require more details regarding this application do not hesitate to contact me,

Yours faithfully,

Peter G. Wild.
Secretary.

Dear Peter

Re: UPGRADING & EXTENSIONS TO DORNOCH SOCIAL CLUB - 056
COMPLETION OF MAIN HALL AND COFFEE LOUNGE.

Further to our discussion I write to confirm that in order to complete the main hall and coffee lounge floors to an acceptable standard we require to raise a further £3,000.00 to pay for the work.

This is based on the use of a 6 mm thick oak strip glued and pinned to a chipboard floor which would be levelled using sprockets over the existing flooring. Some repairs are also required to the existing sub-floor and therefore the cost break-down per square metre would be:-

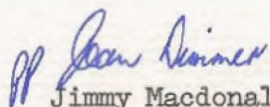

A. Repairs to existing timber floor and sanding same	£ 2.00
B. Supplying and fixing chipboard sub- floor on levelling battens	3.00
C. Supplying and fixing 6 mm t.&g. oak flooring	<u>10.00</u>
Total:	<u>£15.00</u>

Based on these figures and knowing that the total floor area of the coffee lounge and main hall is 180 square metres then the total cost will be £2,700.00. Extra to this work there are the adjustments necessary to all doors opening from these spaces with the new floors and to all skirtings and therefore the provisional sum of £300.00 should be included for this.

We therefore arrive at the total cost of £3,000.00 for the installation of a new floor which would make the space much more attractive and easy to use.

I trust the foregoing clarifies the situation at present and look forward to hearing that the funding is available in order that we can proceed with these works.

Yours sincerely

Jimmy Macdonald

There are a number of lounge chairs including some higher armchairs for the more elderly. There is also a functional fire place should a more cosy effect be desired. Access can be from the main hall or directly from the outside, where there are no steps to hinder wheelchairs.

KITCHEN - This is of a generous size and has a hot water gas tea urns, ample storage space and preparation surfaces.

GAMES ROOM - While called a games room this is in fact a multi purpose area situated directly off the north end of the main hall. It could also be used for an off-stage changing area, drama rehearsals

SCOUT/CUB HALL - This area has been relocated with a number of improvements from the coffee lounge.

COMMITTEE ROOM - An ideal smaller room for meetings up to 20 people with teamaking and duplicator facilities.

GENERAL - Electrical power appliances, in particular heating are all operated by slot meters in the various areas.

Re: UPGRADING & EXTENSIONS TO DORNOCH SOCIAL CLUB - 056

Further to your enquiry I write to advise that the following people be invited to the opening night. From the H.R.C. - 1. The Director of Recreation & Leisure Mr. Wilkinson at Regional Headquarters.

2. The Chairman of the Department of Recreation & Leisure of the Highland Regional Council - W. Swanson Esq., 38 Queens Terr. Thurso.

It may be intimated in this letter that if he can not attend then possibly his vice Chairman may attend.

3. Local representative on the H.R.C. Col. A.M. Gilmour of Rosehall.

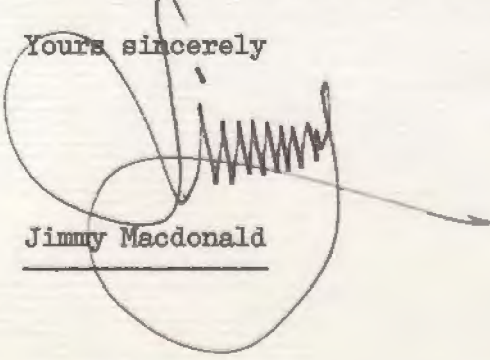

From the H.I.D.B. 1. D. Morrison Esq. of the Wick Office of the H.I.D.B.

2. Write to the Secretary of the H.I.D.B. at Bridge House, 27 Bank Street, Inverness explaining what the invitation is for and asking if they would like to send somebody to represent the Board.

When these people have been invited and taking into consideration that they are going to travel either from Inverness or Wick then I would make a recommendation that they are at least given some coffee and sandwiches and a short explanation of the works which have been carried out.

I shall be in contact with reference to your last letter in connection with the flooring of both the main hall and the area above the coffee lounge.

Yours sincerely

Dear Peter,

As you probably know, I was obliged to appoint a liquidator for Sutherland Printers Ltd., in November 1981. The company never really recovered from the long drawn out case in the High Court against Gestetner - even though we won it with damages and costs.

Sutherland Advertising which was registered in 1974 is my main business along with Presentation Plastics which manufactures P.V.C. items. Both these companies are run from the above address, and we can offer a top quality print service including design, finished artwork and print production at competitive prices.

All the negatives and original artwork used on jobs done by Sutherland Printers are retained here by Sutherland Advertising and these can be utilised, should you wish repeat runs to be made. Alternatively, of course, they are at your disposal and can be used by other printers if required.

In addition to print work we offer consultants advice on advertising planning, media booking, copywriting and full creative services. Marketing and promotional items such as business gifts, personalised playing cards, T shirts, pens, lighters etc. - etc., as well as stationery items, draw tickets and rubber stamps.

I will be delighted to quote you for any of your requirements we cover and to discuss any part of our service with you.

Yours sincerely,
