Dear Tony,

I understand you have contacted Mrs Hill in regard to renting a room(s) in Dornoch Social Club for the purposes of holding a veterinary surgery there for one hour per week on a Tuesday.

This was put before the management committee at our meeting yesterday and it was agreed that we should offer you the booking at £5 per session (for a minimum period of six months), providing you accept the conditions listed below:

- a) That the premises are left in a clean and tidy condition.
- b) That the Social Club management committee are indemnified from any claim arising from injury incurred by any persons attending the surgery; or loss of or damage to their property; or the spread of any diseases resulting from the use of the premises as a medical unit.
- c) Any damage to Social Club property may be liable to charge and should be reported to the committee as soon as possible.

I hope these meet with your approval and that you understand the reasons for us having to ask you to agree to such conditions.

It was suggested that you may wish to use the coffee room as a "waiting room" and the kitchen as your surgery - there is a large table and hot and cold water. This can maybe be discussed with you at a later date.

Meanwhile, I would be grateful if you would confirm your acceptance of these conditions in writing please, as soon as possible.

Yours sincerely,

Alison Cameron,  
secretary.

Dear Donald,

This is to confirm that the Social Club committee are happy to allow Sutherland Agricultural Society to run a Queen Dance within the hall on Friday, June 6th.

However, we would ask for six marshalls to be in attendance and that the building be left in a tidy state afterwards. You would be responsible for any damage.

If you wish, one of our committee could meet with you at the social club and go round the premises beforehand so that the condition of the building can be agreed.

Hope this meets with your satisfaction and that you have a successful dance.

Yours sincerely,

A handwritten signature in dark ink, appearing to read 'Alison Cameron', written over a horizontal line.

## CHAIRMAN'S REPORT

We were all saddened by the death of our Caretaker Donald Maclean earlier in the year. We are indebted to him for many years hard work well beyond the call of duty. It was impossible to replace the full service he had offered and accordingly some changes were introduced and the main effect of this is that a key is now lodged at the Police Station so that booking organisations can let themselves in and out of the building. An additional light switch has been provided just inside the main hall entrance and an unlocked key cupboard has been built in the lobby to provide easy access to store cupboards etc.

A number of regular bookings have now been established, namely Dancing Club, Bowling, Cubs & Scouts, Youth Club and twice weekly vet surgery. A slimming club is soon to start and a monthly travelling cinema has been booked. Occasional bookings have included dances, coffee mornings, commercial sales and weekend accomodation for youth groups. The revenue from hires together with some fund raising has enabled us to meet the running costs and carry out some repairs.

With no separate Entertainments Committee the fund raising events have been reduced to an annual Top Team Competition, Auction, Games Night Dance and Barbeque following the Half Marathon.

The Youth Club has again been well attended; sessions are now once a week on Thursday evenings from 7-9. A tape recorder known as a "Ghetto Blaster" has been purchased and is much enjoyed by the youngsters. The Pool Table and darts boards are being well used.

Due to considerable damage incurred with licenced dances, new conditions have been imposed and booking organisations have to pay £100 deposit (to cover excess on the insurance premium) and return the following day to clean the building.

My thanks to all the Committee for their hard work over the year, to Caretaker Barry Turner, to Maggie Hill for handling the bookings and to the Affiliated Clubs and the community as a whole for their continuing support of the Social Club.

Dear Joan,

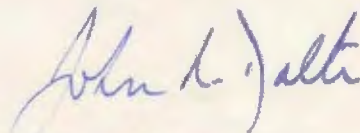

Our annual fund raising event "In The Mood" will be commencing on Monday 16th June.

It would assist us greatly if it would be possible for E.S.R.A. to hire the Community Association record decks again this year. Arrangements for collection and return on the same basis as last year.

As tis is our major fund raising event of the year, I would be grateful if you could ~~confirm~~ the availability of the decks as soon as possible, as otherwise we will have to try and make alternative arrangements.

I would like to take this opportunity to thank your committee for their assistance last year. Should you require E.S.R.A.s assistance in any of your own events this year, i.e. A display along last years lines we will be delighted to help.

Yours Faithfully,

J.N.Dalton  
Secretary.
