Dear Sir,

I write to thank you for your letter of 18th and 24th February, and 17th March, 1970 in connection with the widening of Castle Street and for the Drawings No 116/1 and the Technical Report which the County Road Surveyor kindly prepared. Dear Mr Lyon,

I apologise for failing to answer immediately your letter with reference to the Conservation Order problem. I have made discreet enquiries and the situation appears to be that no formal proposals have been received so far from the County Council. I do not know what action, if any, is contemplated in Edinburgh, but you may consider it appropriate to write to the Secretary of the Historic Buildings Council for Scotland.

*Yours sincerely,
