Letter from Ronald
date 21st Sept. (no place)
I hope it will not be
very long before I am
able to come and see
you. We have been
having wet weather.
We feed very well and

are very hungry. The open
air life enables me to do
things which at other times
mean death. I cannot give
you any local names. I
have to read all the men's
letters. I washed myself
today and feel very well
and comfortable. It is not
a bad thing to enclose
an addressed unstamped
envelope when you
write as envelopes &
inks are very scarce
I ought to have been
inoculated for typhoid
but too late now. So far
the army has been very
healthy, but horses and
men have sometimes
to be left unburied"

Yours lovingly
