

No. 1839.

10th Brigade.

With reference to the attached statement by
Lieut. M. A. Arbutnot, I should like to bring forward
the name of No. 9325, Pte. Donald McKay for gallant
conduct in the field. -

I know that Lieut. M. A. Arbutnot was wounded
on the 25th April 1915 in front of the line we took up
that day, and have no doubt that had he not been
carried back by Pte. Donald McKay he would have been
killed or made a prisoner. -
