

ROD McRAE & SONS.

REGISTERED BY THE
WORSHIPFUL COMPANY OF PLUMBERS.

Station Road,

Dornoch, July 1st 1913.

H. M. MacKay & Co.
Town Clerk.

Sir.

We enclose herewith cheque
covering amount of £1/-
sent to us by you on
behalf of the Town Council.
We do not see that there
is any claim against us.
We have put back into
the drain all that was
taken out, keeping the
former surface for the
top & had it all beaten
well down.

after we got the Town
Clerk's first letter we
put a labourer on the
road for two days & had
it beaten down & dressed.

on receipt on Town
Clerk's second letter we
got a man to cart three
loads of clay & gave the
road a second dressing.

after the roller was
working on the road the
burgh officer came to say
that part of the drain was
too sandy, but as we
had already dressed it
& covered it with clay.
we had nothing to do
with any effects which

the working of the
roller produced. & we
do not see that the
Council have any claim
against us & that the
account has been
rendered under a mis-
apprehension.

Yours faithfully
R. MacRae & Sons
