

My Autobiography.

1911.25

I am going to tell you
my own story.

I was born eight years ago
at Evelix. My name is
Malcolm Grant.

I went to school when
I was four years old.
The name of my
teacher was Miss Mac
baskill.

One Saturday my

father took me down to
the field on a horse's back.
Another day he went
to Whiteface to get one
of the horses shod and
I got with him.

James Gibson and
John MacKay were on
my class. I am on stand
three now.

That is all I can tell
you just now. ✓ M.
