

DNHL 2004. 316. 771  
116

BUCKINGHAM PALACE,  
12th June 1919.

Whereas throughout the war I appealed to my People to unite for Victory, I now urge them to another common effort in order to set peace upon a basis sure and sound. I ask them to co-operate in making the Victory Loan a national success. After years of conflict peace is now, by the blessing of God, in prospect. The time of transition bears with it problems calling for the same patriotic endeavour as before and a like spirit of sacrifice. The security of my realm, and the prosperity of my people, can only be maintained if the fabric of both rests upon solid financial foundations.

To establish these foundations the great Victory Loan is now being launched and once again I call upon my people for their unstinted support. It is thus that we who live may fitly meet the debt due to those who gave their lives in the cause of freedom: and it is thus too that we may render ourselves faithful trustees of that future of peace and safety for which I earnestly pray.

GEORGE, R.I.

Suggest you write in reply to the  
Board of Approvals that the ground  
offered by Mr MacKintosh is con-  
sidered quite unsuitable for  
allotments and would not be taken  
up, and in view of that fact and that  
the Town Council have to meet  
the claims of Mr MacKintosh for the  
land applied for in their application  
that Body will have to consider as to  
whether they can proceed further with  
the application.
