25th/10/73

Dear Sir,

Would you please
call to see me next time you are
in Dornoch. I want you to see the
condition the county workmen left
my doot and path. The water is over
my shoes when I go out to the shed
for coal. I dont know what will
happen when the frost comes.

Yours faithfully
Tos Gunn.

Town Clerk,
Dornoch.

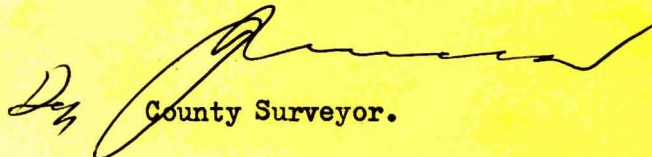

Dear Sir,

River Street/Church Street

I attach hereto a copy of a letter from Mrs. Gunn, Church Street, complaining about her entrance from the road. I understand from Mr. Colquhoun that my staff have already on two occasions altered matters at this lady's doorway in an attempt to satisfy her wishes.

Since in this instance I am only acting as your agent I would be obliged if you would arrange to visit Mrs. Gunn and to agree with her finally such work as you and she think fit. Should this involve alterations of the existing I will carry out the work when my staff return to this area.

Yours faithfully,

County Surveyor.

Dear Sir,

Mrs. Gunn - Church Street/River Street Road Works

I thank you for your letter of 31st October, 1973 regarding Mrs. Gunn's observation on the work carried out immediately to the entrance to her house in Church Street.

Mrs. Gunn has also approached this office on the matter and I visited the house to ascertain the position and there would appear room for some complaint particularly in view of the original arrangements in front of her door. I have discussed the matter with Mr. Morrison, the Burgh Officer and he is conversant with Mrs. Gunn's requirements and it would be appreciated if your foreman were to see Mr. Morrison who will explain what is required. In the meantime I have informed Mrs. Gunn that the matter will be put right when your men return to complete the work on the Church Street/River Street project.

Yours faithfully,

Town Clerk.
